Do-It-Yourself Guide

Thank you for choosing to be a *mitzvah entrepreneur* by hosting a pop-up mitzvah stand. Everything you need to make this a successful project is detailed below.

What A **color me happy activity book** consists of word puzzles, coloring pages, and sudoku puzzles that will be distributed to patients in hospitals and residents in senior centers. **Goal: 100 activity books**

Who As the *mitzvah entrepreneur*, please gather a group of friends/families, *mitzvah makers*, to help complete the mitzvah. A group of 10 people works well, but it is really up to you. Sometimes, if there are too many people, the project ends too quickly, and if there are too few, it can take a very long time. We recommend 90-minutes for the event.

Contents Use the suggested links on reverse side to download and print contents for your **color me happy activity books**. We suggest 8-10 puzzles/coloring pages per book.

Pop-Up Responsibilities Make this a collective effort by assigning participants different responsibilities. For example, each mitzvah maker you invite can be responsible for bringing 100 copies of a puzzle or coloring page. Jewish Federation will provide the front cover for this project and a sign-in sheet for your **mitzvah makers**. Please make sure it is completed so Federation can thank them. As the mitzvah entrepreneur you will organize the assembly of the activity books.

Goal: 100 books for donation

Logistics You will need at least 2-3 tables, staplers, and all the content sheets for the books. Organize an assembly line with the supplies to complete the project. Consider offering your mitzvah makers some *nosh* to keep them energized. You can choose to create your pop-up stand in a variety of locations such as a garage, driveway, basement or kitchen. Please take pictures and email them to sandrag@jfnnj.org so we can see your smiling faces! Use the **#marchmitzvahmadness** to be featured on **@jfnnj** social media.

Donation Distribution Prior to your pop-up event, someone from Federation will let you know what organization is the recipient of your donation. As the **mitzvah entrepreneur**, please elect someone to be responsible for delivering the **activity books** directly to the organization.

**Thank you so much for volunteering to be a mitzvah entrepreneur.
You and your pop-up group will make a big difference in the lives of others less fortunate.**
